05 Burnin' a Hole – The Jangling Sparrows (from the album 140 Nickels)

Strumming up a tune from their latest release (*140 Nickels*), Paul Edelman fronts The Jangling Sparrows as he tells a tale of his memories "Burnin' a Hole" in his soul. The motion of the ocean and the sting of salt air take The Jangling Sparrows in and out of a dream as they sing a song of a long-gone summer.
